Remember in Prayer

● On March 2021 the federal government of Canada changed the eligibility criteria for MAID (Medical Assistance in Dying) which grants Canadians who are not terminally ill the right to seek MAID. On Feb. 2, 2023 the federal government announced plans to delay MAID eligibility for people whose sole medical condition is mental illness until March 2024. The prayer needs concerning this issue are many, so "pray without ceasing." 1 Thess. 5:17
